In light of continuous innovation and technological progress across all industries globally, there is a surging demand for high-quality building materials, both commercially as well as residentially, which needs to be met with superior solutions that enhance experience and strengthen structures.

Zak's continual efforts strive to accelerate industry growth by bridging the gap between potential and limitless possibilities, bringing together state-of-the-art technological advancements and industry pioneers at trade shows, nurturing connections and meaningful conversations across glass technology, doors, windows, façades and aluminium extrusions.

Over 350+ brands from 20 countries converged at the Zak Expo last year and with each edition, we push boundaries, elevate industry standards and accelerate progress toward new milestones, all while upholding our belief in bringing to our trade shows only the highest standards of offerings.

Together, let's shape the future one where aesthetics, functionality and sustainability seamlessly converge to define the next era of architectural excellence.

# **FAÇADES AND FENESTRATION**

**21<sup>ST</sup> INTERNATIONAL TRADE FAIR ON  
DOORS, WINDOWS, FAÇADES, TECHNOLOGIES,  
COMPONENTS & PRODUCTS**

The 21<sup>st</sup> edition of the Zak Doors & Windows Expo is set to redefine industry standards with state-of-the-art designs and forward-thinking concepts. This year, the expo presents a fresh take on modern fenestration, with exclusive product launches that challenge convention and drive innovation. Zak Doors & Windows Expo hosts more than 250 exhibitors from 20 countries and is the ultimate platform to witness the latest advancements and groundbreaking innovations shaping the future of the industry.

# ZAK DOORS & WINDOWS EXPO

## ADVANTAGES OF PARTICIPATION

- It stands as India's first and largest expo on doors, windows, façades and allied products.
- Renowned as the popular and focused expo for the Indian fenestration industry, drawing huge audience from all the sections of the industry; with 33,202 attendees in 2024.
- The concurrent events of Zak Glass Technology Expo and Zak Aluminium Extrusions Expo draw in prospective buyers from the glass and aluminum extrusions sectors.
- The expo features a comprehensive display profile showcasing solutions for aluminum, steel, PVC and wood materials.
- Attendees can explore a wide array of live machinery for processing and finishing purposes, providing a hands-on experience.
- Leveraging the global influence of the Zak World of Façades conferences, the expo enjoys robust promotion worldwide.
- Bombay Exhibition Centre serves as the esteemed venue for hosting large-scale exhibitions and conventions.
- The seasoned team at Zak possesses deep insights into local customs and business practices, enhancing the expo's effectiveness.
- With extensive connections and a thorough understanding of the industry, local market dynamics and trade media, Zak Doors & Windows Expo is well-positioned to deliver value to participants.
