

ACS ENTERPRISES

ENGINEERED TO
EXCELLENCE

OUR UNIQUE PROPOSITIONS

Established in 2002, we've evolved into a renowned manufacturer, exporter, and supplier of high-quality uPVC hardware, faucet handles, and fashion accessories. Operating under ACS Enterprises, ACS Fashions Pvt. Ltd., and Super Metal Product, we leverage our state-of-the-art manufacturing unit in Gurgaon and Haryana to craft products that meet global standards. Guided by our mentor **Sh. CP Saini**, our team specializes in Hot Chamber **Zinc Die Casting Components, Powder Coating, and Plating & Assembly of uPVC Hardware**, designed with international trends and a passion for excellence.

WHY TO CHOOSE US ?

Benefits of ACS

Customized Solutions:

At ACS , we can develop & produce hardware as per your need & requirements in a minium time frame.

Less Lead Time:

Products can be lifted immediate or can be produced in less than 10 days.

No Bar In Quantity (MOQ):

In ACS there is no restrictions in lifting the quantity i.e you can procure any quantity from 1 no. to any nos you want, which will help you to maintain the minimum inventory at your end, as we are the manufacturer & there will be no threat of stocks getting exhausted.

Quality Products:

To ensure high strength & quality, all Zamak & Aluminium alloy products are produced from high quality prime raw material only. We don't use scrap or recycled material. All products are tested for its life etc.

Unique Color Range:

Having in-house facilities of finishing , we have developed variety of colors to choose from.

INFRASTRUCTURE

Excellence and precision

If opening or closing windows is a challenge, it is a sign that the window is not fitted with good hardware. Good hardware is designed to enhance the look and style of the windows while ensuring smooth, effortless operation for years to come.
