TOTAL SOLUTIONS FOR SURFACE PROTECTION

Surface Protection Tapes are designed to prevent surface from scratches, marks during handling, transit, post installation etc. These films give excellent scratch resistance and masking properties and thereby coated with non-transfer type specialty adhesive, to withstand abrasions and scratches on smooth and sensitive surfaces. There are no marks/ residue on the paint or finish once they are peeled off.

FEATURES

- **EASILY REMOVABLE:** Clean & stain free removal, even after application for extended time period.
- **HIGH SPEED LAMINATION:** Can be laminated on the surface matching the speed of machine.
- **STABLE:** Uniform and stable adhesion throughout the life cycle of the film.
- **PRINTABLE:** Can be printed with your logo, instructions etc.

SEVERAL THICKNESS AVAILABLE!

Various Adhesive Strength depending on surface:
Low / Medium / High

ONE SOLUTION FOR VARIOUS INDUSTRIES
