

One Stop  
for all types of Glasses

## ABOUT US :

Bagrecha Enterprises Limited ( BEL) is the leading glass import house and distributor in India. From a humble beginning in 1998, today BEL is a name to reckon with in the Indian Glass Industry. We have a well-established distribution net work spread across India and cater to our customer needs from all the major sea -ports across India. We also have expanded warehousing facilities in Chennai, Vizag & Mumbai for speedy glass dispatches & improved customer satisfaction.

We believe that it is our responsibility to provide latest & superior glass products to our customers so that they can service the end- clients and subsequently every one in the value -chain can grow together. It is our firm belief that customer -satisfaction, transparency & trust are the key to lasting success.

Over the years, we have developed procurement - expertise & build excellent relationship with domestic suppliers in India and foreign suppliers like Malaysia, China, Thailand, Indonesia, Vietnam, Bangladesh et c. This gives us a cutting-edge in bringing high quality products, innovative design glasses at the most affordable cost. This, subsequently, benefits our customers & help their business to flourish by partnering with us. We, at BEL, envisage to be a one - stop solution for all glass related requirements for our esteemed clients/ customers.

---

## MISSION

The company's mission is to provide “**exceptional service**” and quality products to its customers at a fair price.

**The best interests of our clients** will always come first, and we will place the client's concerns ahead of our own in each transaction, as we are dedicated to the development of long-term client relationships.

## VISION

Our Vision is to be the leader in glass supplies in every market we serve to benefit of our customers, reliable to our suppliers, rewarding to our employees & and contributing to the society.

---

## QUALITY
