**"To prevent a significant loss,
allow a small expense."**

Techneium Facade Lab (TFL) is a highly specialized provider of facade performance testing services.

As a NABL ISO/IEC 17025:2017 accredited lab, we uphold the highest standards of quality and precision in every test we conduct.

To build the trust and confidence of our clients, we strive to be the most respected facade testing firm in the industry.

To revolutionize the approach to facade testing.

We believe in the continuous pursuit of knowledge and uphold our responsibilities to stakeholders through disciplined and ethical business practices.
