Caps, Rods, Keeps, And Espg Length Is 1800mm

TILT & TURN WINDOW HARDWARE

TILT & TURN WINDOW HARDWARE

A tilt and turn window can both tilt inwards at the top, like a hopper window, or open inwards from hinges at the side. The tilt position provides draft-free ventilation and rain protection. In the turn position, Tilt & Turn windows act as casement windows, swinging their full glass area open.

- Flexibility
- Easy Open
- Attractive
- Safe & Secure
- Weatherproof
- Easy to clean
