ABOUT US

Founded in 2008, Infinite Tirupati Glass(Formerly known as Tirupati Glass) is a leading supplier of premium-quality glass products, offering complete glass solutions under one roof. With a strong commitment to quality, innovation, and customer satisfaction, we serve architects, builders, interior designers, and fabricators across Pan India.

We maintain 3,000+ tons of ready stock across our 4 warehouses (3 in Rohtak and 1 in Chandigarh), ensuring quick and reliable deliveries. With a monthly turnover of 10000–12000 tons, Tirupati Glass has become a trusted name for quality products, competitive pricing, and dependable service.

Tirupati Glass – Your Trusted Glass Partner Since 2008.

SOLAR GLASS

Our high-performance Solar Glass is specially engineered for photovoltaic (PV) modules, offering exceptional light transmission, superior mechanical strength, and long-lasting durability. Designed to maximize solar energy absorption while protecting solar cells from harsh environmental conditions, it ensures reliable performance and enhanced energy efficiency.

Key Features:

- High Light Transmission for Maximum Energy Output
- Low-Iron Tempered Glass for Superior Clarity
- Excellent Mechanical Strength & Impact Resistance
- UV & Weather Resistant
- Anti-Reflective Surface for Improved Efficiency
- Long Service Life with Minimal Maintenance
- Ideal for Residential, Commercial & Utility-Scale Solar Panels
