Sequra
Modular Systems

Sequra Modular Systems specializes in crafting premium aluminium windows and sleek railing solutions that blend durability with modern design. With a focus on precision engineering and high-quality finishes, we create structures that enhance both safety and aesthetics. Every installation reflects our commitment to innovation, reliability, and refined architectural detailing.

Modular
Window Guard

TECHNICAL SPECIFICATIONS

MODEL SP 12

Frame GI pipes
20 x 20 x 1.2

Horizontal Aluminium Pipe
12mm (Round)

Horizontal Reinforcement Solid Bar
10 mm

MODEL SP 14

Frame GI pipes
25 x 25 × 1.2

Horizontal Aluminium Pipe
14.4mm (Round)

Horizontal Reinforcement Solid Bar
12 mm

MODEL SP 16

Frame GI pipes
25 x 25 × 1.2

Horizontal GI Pipe
16 x 16 x 1.2 (Square)

MODEL SP 14S

Frame GI pipes
25 x 25 × 1.2

Horizontal Aluminium Pipe
14mm (Square)

Horizontal Reinforcement Solid Bar
12 mm (Square)

FEATURES

Material	: Galvanized Steel / Aluminium
Coating	: Pure Polyester Powder Coating
Accessories	: Aluminium Casting
