Company Profile

Talking Over
OUR STORY

Founded in 2018, Aldeko is built on a 40+ year legacy of excellence in construction by Vikanshu Petrochem. Our deep roots have earned us a reputation as a trusted leader in India's infrastructure development.

Innovative Products. We manufacture high-performance Aluminium & Metal Composite Panels (ACP), WPC LOUVERS, ACRYLUXE, WALLUXE, SOFFIT & FLEXILUXE—designed to redefine modern aesthetics and unlock new architectural possibilities.

Built to Last. Our products deliver unmatched versatility, durability, weather resistance, and stunning visual impact for both interiors and exteriors.

Quality You Can Trust. Crafted in our advanced facilities in Kotdwar, Uttarakhand & Sonipat, Haryana, our panels meet global quality standards. We follow sustainable practices to minimize environmental impact.

Reliable, Always. With a strong distribution network and dedicated support team, we ensure seamless delivery, a wide range of finishes and designs, and unmatched customer care.

Your Success, Our Mission. Customer satisfaction drives us. Partner with Aldeko, and together, let's build something extraordinary.
