100/6 uPVC Board Panel

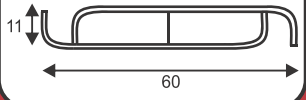

PSPA401
160/20 uPVC Board Panel

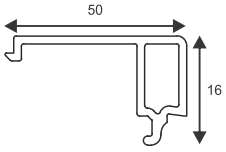

PSPA402
100/15 uPVC Board Panel

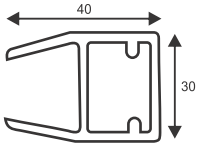

PSPA403
60/11 Louver for 60 mm Casement

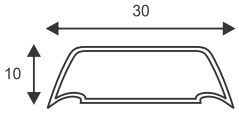

PSPA404
50/16 Louver Bead for 60 mm Casement

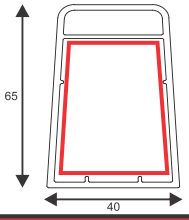

PSPA405
40/30 A Profile

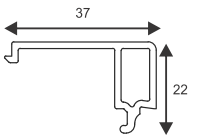

PSPA406
30/10 Georgian Bar

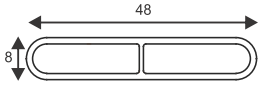

PSPA407
65/40 Hurricane Bar
GI CODE - PSRI 013

PSPA408
37/22 Louver Bead for Sliding (200 Series)

PSPA409
48/8 Louver for Sliding 200 Series

PSP Laminated Profile

PSP offers a wide range of laminated wooden textures with more than 20 colours, which suited to your dream home requirements and these are most suitable for tropical weather conditions and providing 10 years warranty. Laminated profiles are available with brown & white base colour. All laminates are imported from Germany.

Features :

- Extreme weather resistance
- Colour stability
- Gloss retention
- Impact resistance
- Easy maintenance
- Environment friendly

PSP ADVANTAGE

Design Friendly

A creative collection of profiles mix-matched with combinations like bayspoles coupled windows, combination windows, etc is our forte.

Extra Durability

PSP windows do not wrap, twist, or split. Impact modifiers in our profiles are treated with special additives, thereby making the material extremely long lasting.

Air Quality

Indoor Air Quality can be maintained by avoiding interior energy loss. PSP windows is are welled design to save energy.

Extra UV Resistence

PSP windows offer 100% UV resistence with 8 part of TiO2, which helps in retaining whiteness against exposure to sun.

Training & Developement

Intense training on fabrication and installation that makes partner sales team self-reliant & competent to handle customer needs.

Maintenance Free

PSP windows are dirt resistant and easy to maintain with normal soap water.

Termite & Corrosion Resistance

PSP windows are termite and corrosion resistant. Salts, acids, alkali and waste gases cannot corrode the window systems.

Fire Retardant

PSP windows are fire retardant. During fire, once source of fire is removed, a carbonaceous layer is formed preventing supplying of oxygen and stops the spread.

Sound Insulation

Not only do they provide thermal insulation but also special sound insulation.

Lead Free Profile

Lead being a cancer generating agent, we develop lead free profile to avoid health hazards to people. It also provides longer window life with stronger weld strength and better UV resistance.

Wide Product Ranges

Unique versatile designs with engineering principles have led to development of various profile that are suitable for budget apartments to most premium villas.

Large Reinforcement Space

PSP strategic designing of reinforcement space allows large doors for sunlight & scenic view and usage in high rises.

Certificate of Registration

PSP DYNAMIC LIMITED

26 A & B, OLD INDUSTRIAL AREA, ALWAR – 301001, RAJASTHAN, INDIA.

has been independently assessed by QRO and is compliant with the requirement of:

ISO 9001:2015

Quality Management System

For the following scope of activities:

DESIGN, MANUFACTURE, SUPPLY/INSTALLATIONS OF UPVC AND WPC PROFILES FOR DOORS AND WINDOWS, GI REINFORCEMENT AND ACCESSORIES, UPVC AND ALU DOORS AND WINDOWS, CU AND ALU CONDUCTORS AND ALL TYPE OF WIRE AND CABLES.
