

WINDOW MECHANIX PVT. LTD.

Precision in Every Frame

www.windowmechanix.com

OUR **COMPANY**

The founders of Window Mechanix Pvt. Ltd. established the manufacturing unit in Bhiwadi (NCR) in the year 2013. We have 23 years experience in this field. Today, with more than 4100+ satisfied customers across pan India, we are known for our excellent quality and service delivery. Our esteemed clients trust us by unfolding their vision to us and we stand up to their expectations by providing the best assistance to convert their dreams into reality.

WHY **WINDOW MECHANIX**

- Wide Product Range
- Only Virgin Raw Material usage for production
- Least turn around time
- Pan India Presence
- Value for Money
- 100+ manpower ready for service
- No hidden charges

We are proud to be recognized by the Bhiwadi Integrated Industrial Association (BIIA) (BMA) for our commitment to manufacturing excellence, quality standards, and industry best practices.

Backed by trusted industry associations, we continuously uphold the highest standards of product performance, precision engineering, and customer satisfaction, making us a preferred choice for fabricators, architects, and builders across India.

VISION

To be the market leader in fenestration industry by being the best manufacturer of all accessories of uPVC Door & Windows.

MISSION

To provide best product with sustainable quality & pricing and with customization as per client requirement and instant after sales service.
