COMPANY INFORMATION

"If you pour your heart into something and harness your intellect to manage the details, the results are bound to be exceptional. Pooja Sales, established in 1987, is a leading designer of door and window systems and a manufacturer and exporter of architectural hardware and accessories based in Rajkot, India. We are dedicated to research, development, manufacturing, and marketing fittings for architectural hardware, earning a stellar reputation in the construction industry over the years. In 2018, we launched our new brand, 'HIVIK,' focusing on innovative and luxurious products.

With a factory spanning 190,000 sq. ft. and a dedicated workforce of over 450 employees, including experienced technical and managerial staff, Pooja Sales is equipped to meet diverse market needs. Our expanding sales network allows us to distribute our high-quality products across India and export to more than 15 countries.

We embrace advanced management and manufacturing practices while heavily investing in design and innovation. Currently, we offer over 2,800 specialized hardware products and more than 500 customized designs for clients in India and 700 for international customers. Our goal is to embody excellence, diversity, and pioneering technology, always prioritizing customer satisfaction.

Our philosophy centers on complete consumer satisfaction through exceptional design, precise manufacturing, and cutting-edge solutions that align with market demands, both in India and abroad. Our vision is to become the world leader in manufacturing hardware and engineering products and related services. We strive to enhance the world by providing remarkable products at competitive prices, driven by integrity, teamwork, and the innovative spirit of the Pooja Sales team.

With over 39 years of experience, we are committed to building a greater industry as a leading innovator in hardware manufacturing. Through our in-house research and development, we continually explore new solutions to create groundbreaking products. Pooja Sales has established itself as a market leader, offering a comprehensive range of architectural products and customized solutions tailored to the specific needs of the construction and building industry.

In essence, our three guiding principles are good quality, competitive pricing, and excellent service. We invite you to join the Pooja Sales family. Come along with us!"

39 THROUGH YEARS

DEVELOPMENT WITH GROWTH

Through 39 years of development, Pooja Sales Door and Window Hardware has embraced technology, innovation, quality, variety, and honesty as key strategies. The company holds numerous national patents and engages in collaborative projects within the construction, building, and door and window hardware sectors.

Pooja Sales integrates the principles of "green, healthy, and environmental" into its products, ensuring superior quality for customers. Our products are certified by ISO 9001:2015 and have earned multiple patents. As a proud member of the India Construction Metal Structure Association and the India Building Hardware Door & Window Trade Association, we are recognized as a leading brand in the Indian construction industry.

SINCE 1987
POOJA SALES®

NEVER STOP
THE PACE TO FORWARD

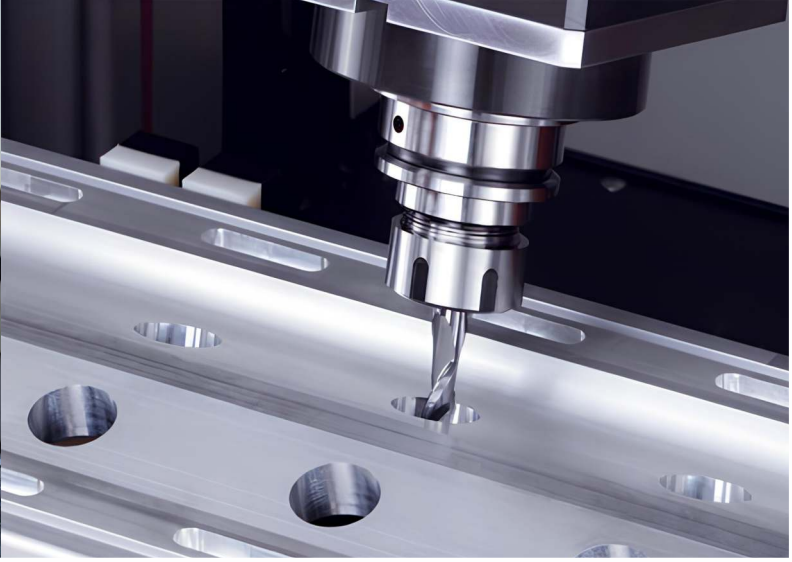

TECHNOLOGY WITH EXCELLENCE

Pooja Sales has been a leader in the doors and windows hardware industry for over 39 years, demonstrating strong technical expertise. By focusing on "new technology, new products, and new models," we play a crucial role in advancing the hardware sector. Our commitment to collaboration across all areas fosters an ecosystem of shared resources, value creation, and mutual benefits, enhancing our competitive edge.

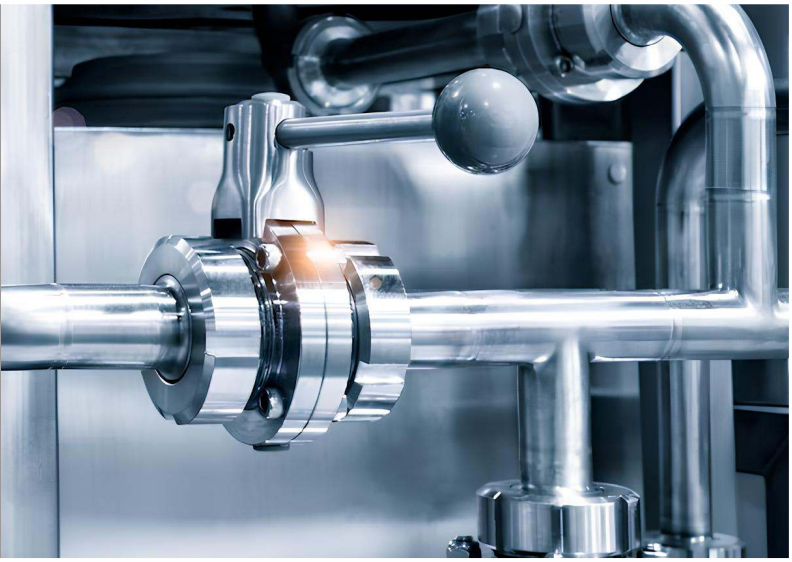

At Pooja Sales, we approach our work with the precision of a mathematician. We use the highest quality materials and implement rigorous quality checks, ensuring that every detail is flawless. This dedication allows our customers to experience unparalleled quality in every product.

HIVIK®
ARCHITECTURAL HARDWARE EXPERT

TO EARN TRUST, ONE MUST FIRST SHOW COMMITMENT

BUILD A STRONG STRATEGY TODAY TO SECURE SUCCESS AND WIN THE FUTURE

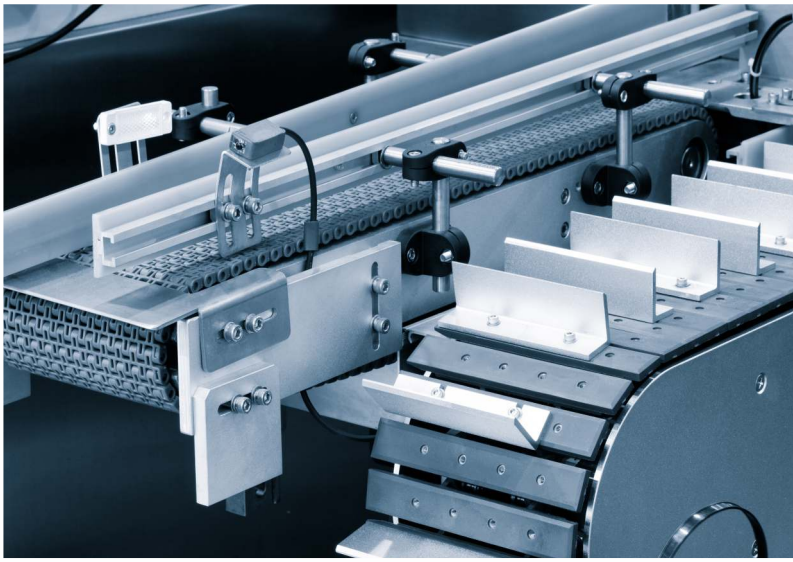

All our products undergo rigorous testing to ensure we lead the industry by focusing on every detail. Pooja Sales is dedicated to providing an exceptional user experience. Each product is crafted with low-carbon, eco-friendly materials, featuring user-centric designs and customizable options to meet diverse customer needs.

To achieve excellence, we believe in the importance of having the right tools. While effective management, integrity, and skilled individuals are vital, a successful company also requires top-notch equipment. This combination enhances our production capabilities and guarantees the highest quality in our products.

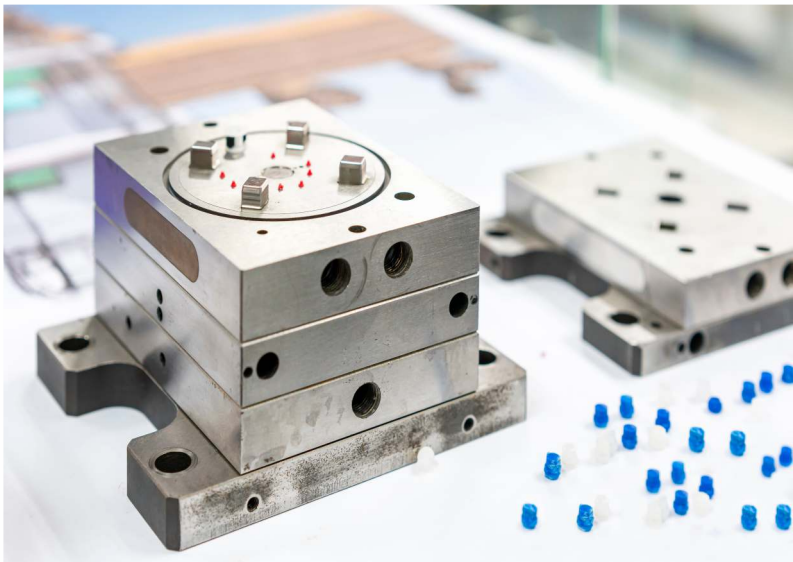

TO BUILD A BRIGHTER TOMORROW WE MUST BEGIN WITH COLLECTIVE EFFORT TODAY

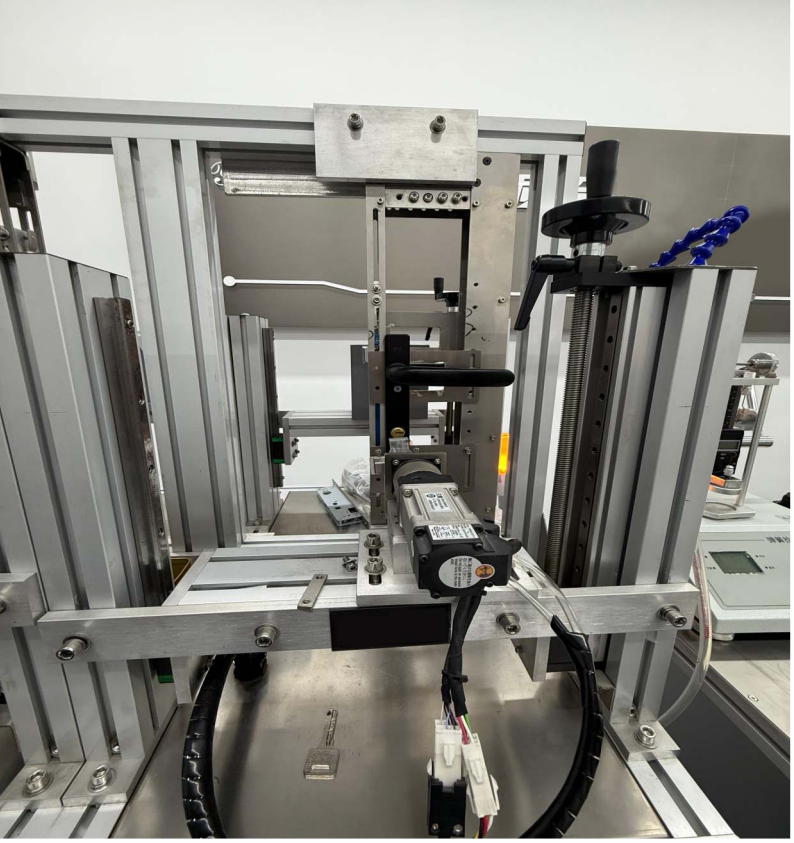

ASSURING PERFORMANCE ENSURING SAFETY

Culture is the foundation of sustainable development within an enterprise. It shapes the values and business philosophy that resonate with our team, fostering high cohesion and employee loyalty. This creates an environment where each member contributes their enthusiasm and creativity, providing a continuous drive for the company's growth.

We prioritize listening to diverse perspectives, striving for daily progress. Our principles of acceptance, understanding, support, trust, respect, and appreciation guide our service approach. We believe that success starts with the little things—focusing on details and adhering to established standards to build a strong foundation for our future.

STRICT INSPECTIONS IS THE GUARANTEE OF PRODUCT QUALITY

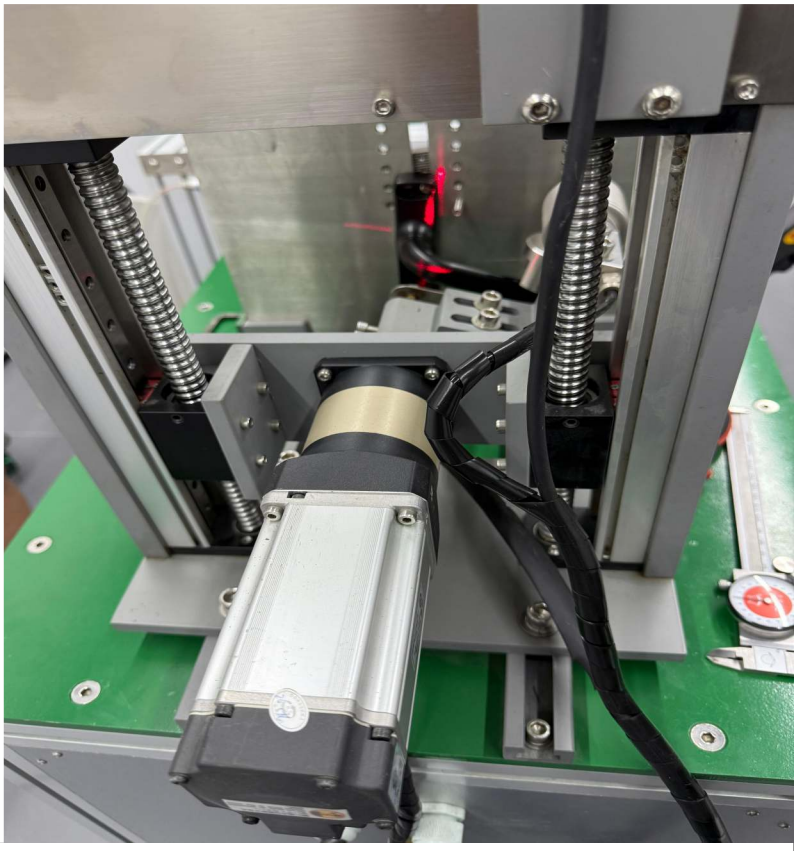

HIVIK®
ARCHITECTURAL HARDWARE EXPERT

From the Design, Material selection and production,
HIVIK pays much attention on the details and quality.
Strictly control each production steps, each testing standards,
HIVIK makes the products close to perfect.

QUALITY YOU CAN MEASURE, STRENGTH YOU CAN TRUST

Product quality determines the success of an enterprise. Since it's establishment, HIVIK has been devoted to constantly improving product quality. By adhering to the quality policy of "good quality, high efficiency and continuous improvement", and unceasingly upgrading and perfecting manufacturing equipment and technology, we ensure customer's reliance on our product quality. Scientific and advanced technological measures are adopted at every chain from the purchasing of raw materials till the delivery of products so as to strictly control manufacturing quality of products.
