OUR STORY

Crafting the Art of Movement.

Since 1989.—For over three decades, Closma has been shaping the way spaces open, move and connect.What began in 1989 with a passion for precision hardware has evolved into a comprehensive range of architectural and interior systems — from premium glass hardware and stainless-steel solutions to luxury wardrobes, sliding systems and elegant partitions.

Every Closma system is created with the same philosophy: precise engineering, refined aesthetics and effortless performance.
Today, we continue to push boundaries, bringing together design, technology and craftsmanship to create solutions made for the way modern spaces live.

Precision in every detail.
Elegance in every movement.
